**ABOUT THE COMPANY**

Capital Senior Living Corporation is one of the nation's largest operators of residential communities for senior adults. The Company's operating philosophy emphasizes a continuum of care, which integrates independent living, assisted living and home care services, to provide residents the opportunity to age in place.

The Company currently operates 66 senior living communities in 23 states with an aggregate capacity of approximately 9,800 residents, including 40 senior living communities which the Company owns or in which the Company has an ownership interest, 25 leased communities and one community it manages for a third party. Resident capacities in the communities operated by the Company indicate that 69 percent of residents live independently, 24 percent of residents require assistance with activities of daily living and 7 percent of residents live in continuing care retirement communities.
