ABOUT THE COMPANY

Capital Senior Living Corporation is one of the nation's largest operators of residential communities for senior adults. The Company's operating philosophy emphasizes a continuum of care, which integrates independent living, assisted living and home care services, to provide residents the opportunity to age in place.

The Company currently operates 64 senior living communities in 23 states with an aggregate capacity of approximately 9,500 residents, including 37 senior living communities which the Company owns or in which the Company has an ownership interest, 24 leased communities and 3 communities it manages for third parties. In the communities operated by the Company, 70 percent of residents live independently, 23 percent of residents require assistance with activities of daily living and 7 percent of residents live in continuing care retirement communities.
